1.- Abrir el navegador de chrome

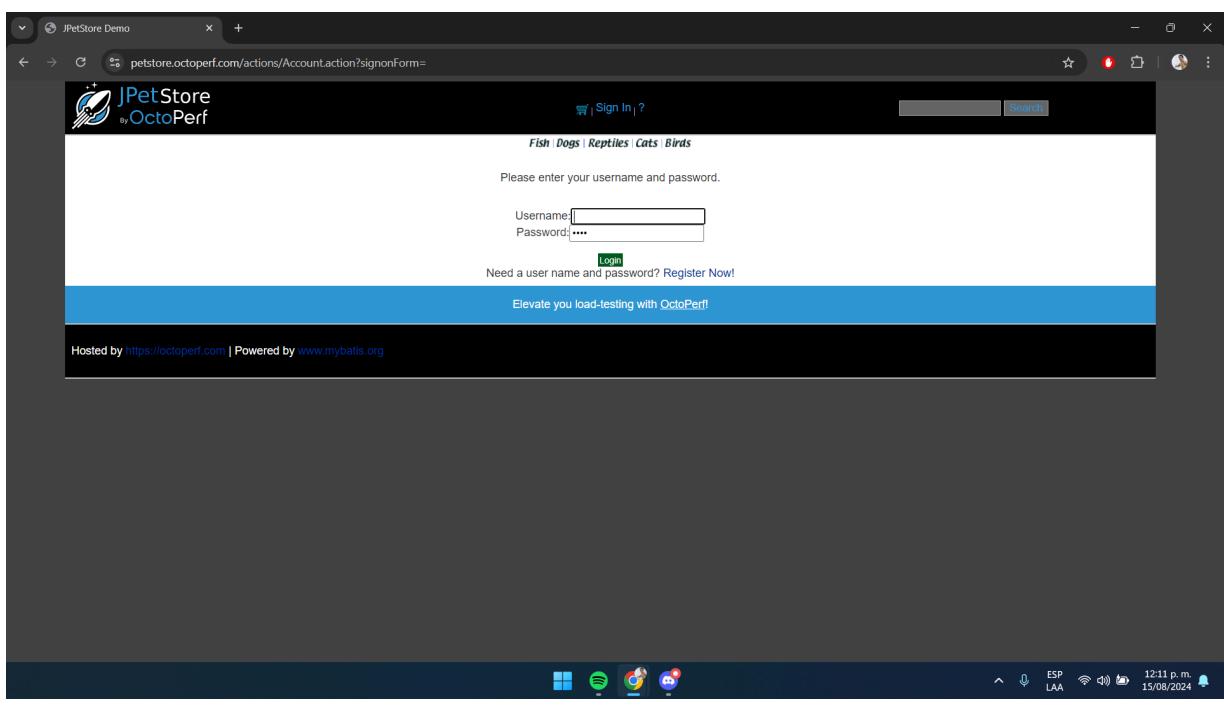

2.-Ingresar a la URL de la página principal

The screenshot shows the JPetStore Demo homepage. At the top, there's a navigation bar with links for Fish, Dogs, Reptiles, Cats, and Birds. Below the navigation is a large image of a green parrot. Smaller circular images of other animals (fish, dogs, cats, lizards) are arranged around the central parrot. A blue banner at the bottom of the page reads "Elevate your load-testing with OctoPerf!". The browser status bar at the bottom indicates the URL is <https://petstore.octoperf.com/actions/Catalog.action>. The system tray shows standard icons like battery, signal, and date/time.

3.- Click en Menu Sign In (del header) dentro de la Home

The screenshot shows the same JPetStore Demo homepage as the previous one, but with a focus on the "Sign In?" link in the header. This link is highlighted with a red box. The rest of the page content, including the animal categories, central parrot image, and the "Elevate your load-testing with OctoPerf!" banner, remains the same. The browser status bar and system tray are also visible at the bottom.
